We will adapt the organization of school transportation according to the decisions that will be made by the authorities. More details will be communicated before the end of August.

12. ASC: [Link to ASC](#)

The LFITM intends to offer Sports and Cultural Activities (ASC) next school year as part of extracurricular activities, as well as a daycare service for the youngest. We will send you more information before the end of August once we have received official instructions from local authorities.

13. APE: [Link to APE](#)

The Parents' Association (APE) of the LFITM is a team of volunteer parents, elected, who represents all parents and is involved in the life of our school. The role of the APE is essential. The LFITM APE team is dynamic, involved, available and active. During the 2019-20 school year, the APE provided remarkable work in supporting our community and our students. To ensure the best experience for your child, each parent is encouraged to get involved, a little, a lot, depending on the time he / she has.

14. 2020-24 Strategic Plan:

A comprehensive diagnosis of the school was conducted during the 2019-20 school year followed by wide consultation with the school community. The following 2020-24 Strategic Plan has just been validated by the school council:

1. **Ensure** the well-being of each member of the community and the socio-emotional development of the students
2. **Offer** a unique multilingual and multicultural experience while guaranteeing mastery of French
3. **Develop** scientific, cultural, artistic and athletic activities, as well as educational and digital innovation for learning
4. **Secure** the journey of each student and allow them to be accepted in the university of their choice, including among the most selective worldwide
5. **Promote** the openness and attractiveness of the Lycée Français International Théodore Monod at local, regional and international levels
